

Imbewu

Capital Partners

A proven track record for partnering with South Africa's finest to provide growth solutions that work.

Over the years, Imbewu Capital Partners has partnered with a diverse range of successful companies, delivering above the market internal rate of returns. As a credible, Black owned private equity company, we have invested, structured and raised funds for MBO's and LBO's, and strategic BEE transactions in partnership with management and shareholders. We also have a strong reputation for managing complex equity transactions and consortiums.

Choose Imbewu Capital Partners as your investment partner and let's plant the seed for growth... together.

INVESTMENT PARTNER OF CHOICE.
